# FOREWORD

It is with deep regret that we, the class of 1951, realize that we must leave Mynderse Academy forever. While in school, we have derived a great deal of pleasure from our friendships with other students, our associations with teachers, our participation in class activities, and our memberships in various organizations. Since Mynderse will always remain in our minds and hearts as a symbol of happy, carefree moments we wish to cherish always - we are publishing

this Myndersian to keep  
alive memories of our  
school days. We hope  
that from its future  
Myndersians will get  
an idea of what pleasures  
they have in store. For  
our teachers, we wish it  
to be a tribute to the  
work they have done.  
The invaluable education  
they have given us will  
enable us to be better  
citizens in this chaotic world.  
To Miss O'Brien, our  
adviser, we wish to extend  
heartfelt thanks; for  
without her patience  
and much-appreciated  
guidance, this Myndersian  
could never have been  
completed.

# DEDICATION

TO YOU, MISS KING, WE, THE CLASS OF  
1951, WISH TO DEDICATE OUR MYNDERSIAN  
AS A TRIBUTE TO YOUR LOYAL FRIEND-  
SHIP, WHICH HAS BEEN A TRUE SOURCE  
OF PLEASURE AND ENCOURAGEMENT TO  
US THROUGHOUT OUR SCHOOL YEARS.

ADMINISTRATION

# BOARD OF EDUCATION

By centralization, our Board of Education increased from seven to its present nine members: Frank Knight, Angelo Romeo, Orville Yates, James McComb, LeRoy Garnsey, Bower Newell, Jesse Rogers, Carl Shuster, Lawrence Parker.

At present they are working on plans for the future expansion of school facilities.

This year they added two part time teachers in the elementary schools, an art instructor for elementary and junior high classes, and an additional music teacher. Through their efforts, a new clock system was installed in Mynderse Academy, the State street tennis courts were resurfaced, the roof on Stanton School replaced and numerous improvements to the buildings and equipment were made.

Hawaiian Exchange Teacher Miss Kuwaye, arrives.

ARTHUR L. BAKER—A.B., B.S., M.S., Syracuse University

To the Class of 1951:

Your theme "School Days" emphasizes a term you will use many times as you recall the events of the past few years, a very important portion of your life. It is important to you, because how you have spent these last twelve years will in many ways affect what you will do with the rest of your life. I sincerely hope that your "School Days" have been happy ones and that what you have

gained here as students will enable you better to take care of yourself and to take your place in our society as contributing members.

The world needs well informed people who can understand the other fellow's point of view. If you have come to believe in the philosophy of treating everyone as you yourself would want to be treated and practice it in all your dealings, life will be pleasing to you and to all with whom you come in contact.

As "School Days" end, I wish you "Bon Voyage."

Sincerely yours,  
Arthur L. Baker

*To the Class of 1951:*

Your theme, "School Days," should bring many happy recollections. You, if successful, have formed many friendships, and, I hope, have developed a sincere philosophy which may lead to your success.

In these critical days, unless you, and others like you, are ready to give the leadership and service required, our democracy and freedom may disappear from the earth.

I am hoping what you have learned may furnish a little of the stimulation which will make you citizens that a democracy needs.

Sincerely yours,  
Frank W. Vogel

## VICE-PRINCIPAL

JOHN C. FRASER

*B.S. Ithaca College  
M.S. Cornell University*

*Class of 1951:*

Today the world offers opportunities in the fields of business, professional life and government for responsible citizens of high moral character.

Since the materialistic tendencies that exist can only be counteracted by people of courageous moral convictions, young graduates will do well to scrutinize carefully the many seemingly modern philosophies that they will encounter. After all, the reason some things are old is that they have had the intrinsic worth to stand up against continuous assault upon their existence. They have stood up to one of the greatest tests—THE TEST OF TIME.

Sincerely yours,  
John C. Fraser

When we returned to Mynderse in September, we elected outstanding seniors to head our class and then started plans for the year.

In November, "Young April" brought out the dramatic ability of our class. Next came our successful Senior Ball with Nona Holland reigning as queen and Lawrence Fahey as king.

Mid-years dampened our spirits only momentarily. Soon we proceeded to work on the yearbook, then on class night and at last came finals, then the yearbook, commencement, and our graduation from Mynderse.

Thus, with the aid of our advisers, this year has been a truly pleasant climax to our "School Days."

"School Days, School Days!" Last September that familiar ditty called the Class of 1952 back together as the "Gay Young Juniors."

Right away we noticed some newcomers: Carole Kohout, Gerard Murphy, Dick Sherwood and later Patty Sharp, who have joined our class.

# CLASS OF 1952

Our many activities kept us so busy that before we realized it a whole semester had flown by; midyears were upon us. They caused some unhappiness, but you can't keep a good Junior down long. By February we were laying plans for the Junior Jumbles. Milton Berle may be funny on television, but when "Cats" Caraccilo brought him to life, no one had seen him funnier. The acts were varied and talented and afforded the audience many laughs.

Encouraged by this success, many aspiring actors and actresses turned out for the play, "Our Miss Brooks." Her love life got her into difficulties which provided many amusing moments before the final curtain.

When Juniors entertain Seniors, a good time is assured. This year was no exception. Everyone will remember that we gave the Rusty Old Seniors a rousing send-off.

Before you could say, "Class of 1952," finals were here; then, most important of all for us, the Junior Prom. We worked hard for its success and were satisfied with the result.

These are the highlights of our third year as Myndersians and they will always be high on the list of memories of "School Days."

On a crisp September morn we, as hale and hearty, sophs, began our second year at Mynderse. We were told that this year would be different from our first, the truth of which we soon found out.

Our first job was choosing our officers, who in functioning for our class, proved both loyal and capable. Then we expanded our program for we found new activities and clubs open to us with interests for all.

In the middle of January, we came across a well-known hazard, dreaded by most of our members—Midyears! Much to everyone's satisfaction, we came through with flying colors and the gain of many credits.

April, however, brought new adventures—our gala dance. The "little red school house" was never like this!

Our annual battle, the Frosh-Soph Play Tournament, developed talent galore and also claimed loyal support from the class.

As the end of the year rolls around amid these pleasant memories, we feel that our hardworking and patient advisers deserve many thanks for their great help in our successes.

In September 1950, the Freshman Class met humbly at Mynderse Academy with faces bright and shiny. All were eager to enter actively into Mynderse life. The boys went out eagerly for football. Many made the Jay Vee Team. We were proud of Bruno Lombardo's record on the varsity. The boys also proved to be very nimble at basketball. Mary Jane Holland and Anna Marie Lorenzetti were chosen for the Jay Vee cheering squad. Shirley Kaufman's volleyball team won the school championship by defeating the Junior's team.

# OF 1954

In entertainment, Frosh, Johnny Scialdone and Richard Jarrett, proved themselves to be superb as they walked off with first prize at the Junior All-School Party. In the Frosh-Soph play tournament we discovered some future Sarah Bernhardts and Clark Gables among our members. The Freshman Dance Committee dreamed up a successful May 18 party—one we'll long remember.

Our pea-green color is slowly turning a loyal blue as our first year at Mynderse comes to an end. We are looking ahead to new experiences; "The best is yet to be!"

# STUDENT COUNCIL

The Student Council resumed its policy of cooperation this year by selling basketball and bus tickets, maintaining a student supply store, and sponsoring a school March of Dimes Drive. It also worked with the faculty in holding an "Open House." One of its most important achievements was its joining of the National Association of Student Councils. An annual dance and picnic added spice to the year's work.

BUSINESS MANAGERS

Under the leadership of editor, Mary Carbone, the various staffs have tried to produce an annual worthy of the name, *Myndersian*. It represents countless hours of planning and of work from early fall through the school year, tracing step by step the activities and interests that make up the chronicle of Mynderse school days. After the theme was chosen and the dummy made up, noon hour staff meetings began under Miss O'Brien's direction, with Miss Trulan assisting Anna Marie Andreas with the art work. Most of the photography was done by the Bullock Studio and Mr. Sutterby.

## STAFF

# 1951 MICROPHONE

The "Microphone," Mynderse's bi-weekly publication, evidenced many changes this year which resulted in the improvement of a paper already rated as superior. A new column entitled "Ramblin' 'Round the Sports Field" added interest in addition to the use of new sizes and various types of heads. Also, more emphasis was placed on Junior Varsity sports.

Of particular importance was Business Manager, Anthony Marconi's placing third in the current events contest at the Empire State School Press Association Conference, October 13, 1950.

Miss Compitello's guidance has been chiefly responsible for the "Microphone's" retaining its high standing.

# LIBRARY CLUB

The Library Club began its year with initiations in November at which time nine new members were admitted. In order to insure an active interest and participation in library work the membership was limited to thirty.

The Library Club joined other clubs in sponsoring the Cole Brothers Circus in the gym early in the fall. Its members used a portion of the profits to provide for the addition of a wicker lounge in the library.

Besides working at the desk, the members have assisted Miss Compitello in inventory, in discussions of popular books and in carrying out various other projects essential to library procedure.

Officers were elected for the coming year and new members were initiated, October 25. A new system for the meetings was devised whereby a definite project having to do with dramatics was scheduled for each meeting. This furthered the aim of the club, which is to administer interest and skill in dramatics.

Wig and Rouge and Chorus members combined their talents in the production of the Christmas pageant, "Noel," December 15 and 18.

## COACHES and CAPTAINS

Bourdon, Coach; Giovannetti, Co-Capt. Davis, Masterson, Coaches.

The varsity football team, under the expert coaching of Mr. Davis, head coach, Mr. Masterson, Mr. Scutt, and Mr. Bourdon, the assistant coaches, opened the football season by rolling up four straight victories before meeting their defeat by powerful Clyde. The Myndersians bounced back from their defeat to hand a surprised Lyons eleven a 60-7 drubbing. Following this victory, they defeated the DeSales eleven and then prepared for the traditional battle with Waterloo, who were competitors with Mynderse for the league's second spot. Waterloo won the game and thus held the second place along with Mynderse. The Myndersian's successful record is largely due to the seniors on the team. Those to be lost by graduation include Don Galgano, and co-captains Dick Giovanetti and Mickey Schaertl.

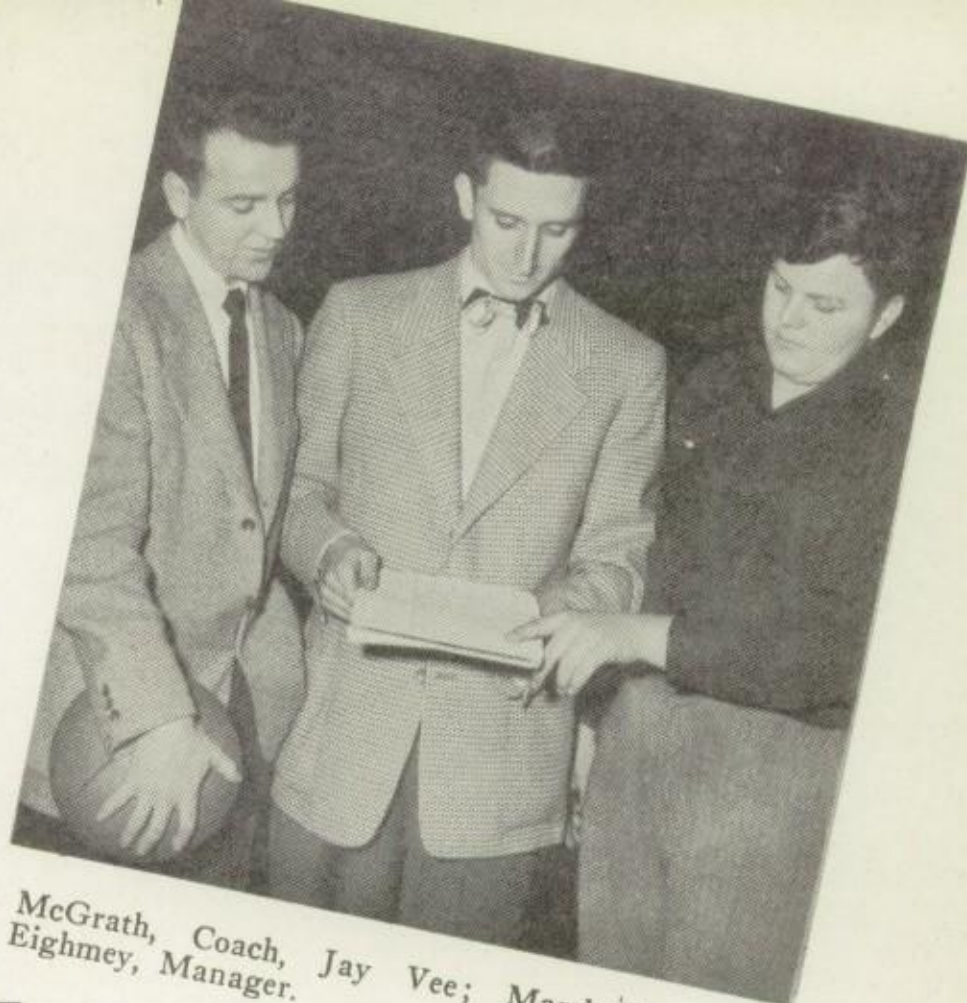

Coached by Mr. Stanley Marshall, the 1950-51 Mynderse Blue Devils had a season's record of five wins and eleven losses. This year's record was a slight improvement over last year's, both in respect to games won and points scored. Great improvement in play was noted even though Mynderse had the shortest team in the league. Chick Sinicropi, captain for the year, was also the team's leading scorer, establishing a new scoring record for Mynderse with two hundred and twelve points.

Leaving this year will be Sinicropi, Schaertl, Saracino, Giovanetti, and Durso; but the nucleus of varsity veterans remaining, augmented by seasoned Jay Vees, should insure a better season next year.

## TENNIS

Lacking time for practice as a result of a late spring, the varsity tennis team was unprepared for an eight game schedule consisting of matches with Geneva, Canandaigua, Waterloo and Penn Yan. Meeting with little success in checking their opponents' winning streaks, the team, however, grew more experienced as the season wore on. Mr. Smith, the varsity tennis coach, anticipates the return of three lettermen as well as the addition of new players from a Jay Vee team, formed during the past season. With these varsity players, the prospects are good for a better season in 1951.

Top to Bottom: Mr. Smith, Coach; Landberg, Knight, Watkins, Forshee.

# TRACK

During the 1950 season, a rising enthusiasm was noted for this new yet old sport at Mynderse by a large attendance of parents and students at meets. Coached by Mr. Cooley, the team participated in dual meets with Canandaigua, Newark, Geneva, Penn Yan, and Waterloo. Also, Mynderse was represented in the Geneva Relay Carnival, Finger Lakes League Meet and the Section V Meet at Rochester.

Seven athletes worked their way to the most important clash, the sectionals. They were co-captains Staudmyer and Reardon, Hubbard, Carpenter, Yeo, Congdon, and Olsowski.

Lost through graduation were Reardon, Krantz, Carpenter, and Russo.

Track prospects for 1951 are good. The team will be coached by Mr. Davis.

Jack Hubbard, Captain;  
Frank Cooley, Coach;  
Thomas Cunningham,  
Manager.

## BASEBALL

The varsity baseball team placed themselves in the league race by downing Newark High after two non-league victories. Then, after meeting defeat by a Canandaigua nine, the Myndersians seesawed between the winning and losing lists. The season ended with the team's holding a total of six wins and seven losses. In all of the games, stellar pitching by Pannucci, Lorenzetti, and Carello proved a decisive factor. The "big guns" of the team were Caracillo, Hughes and Dowen. Caracillo, with an average of .378, walked away with the highest batting average award and was voted the most valuable player. The team's successful record is a fine example of Coach Masterson's wise instruction.

McGrath, Coach; Peone, Manager; Giovannetti, Captain; Masterson, Coach.

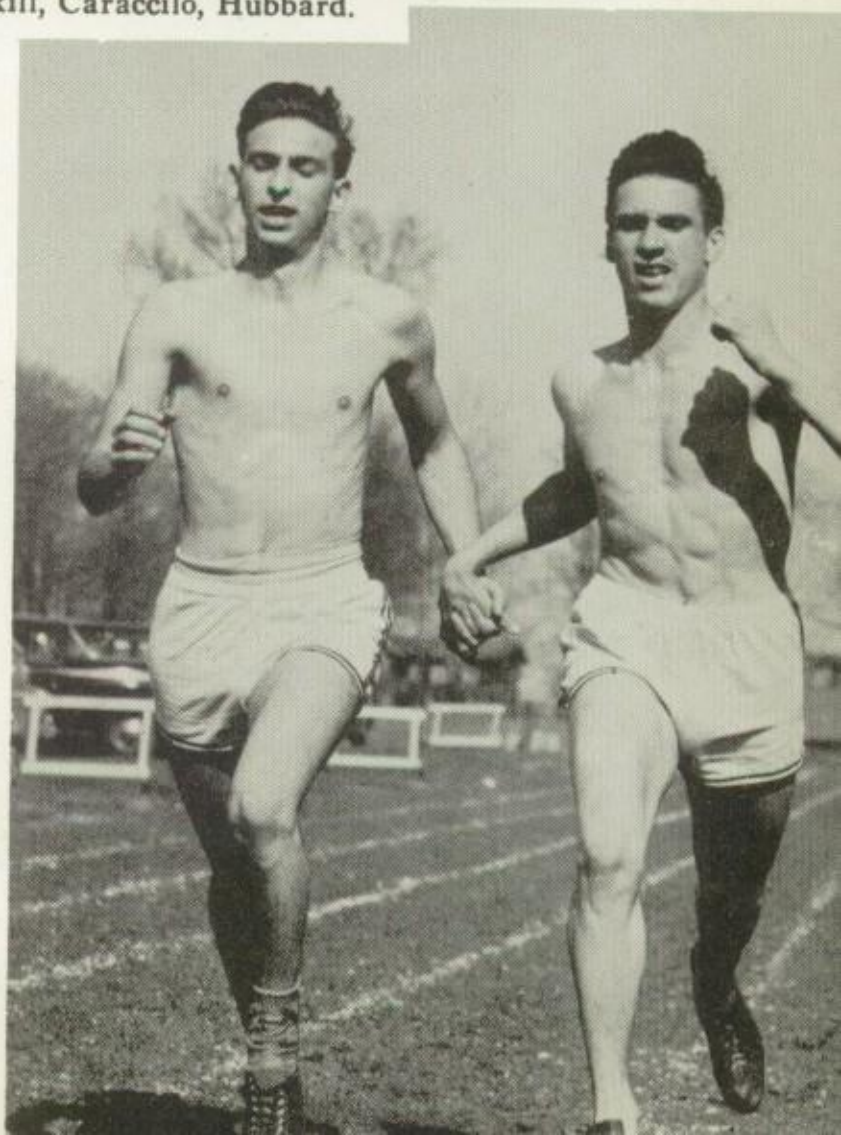

## ATHLETIC ASSOCIATION

Lombardo, Garnsey, Mr. Cooley, Adviser; Brunskill, Caraccilo, Hubbard.

The Athletic Association is a new service club in Mynderse this year. It is composed of the Student Council vice-president and one member from each senior-high class. The purpose of the Athletic Association is to prepare each year a budget of expenses for the athletic programs of Mynderse Academy and to assist in keeping the records of these annual expenditures for athletic equipment.

## BLOCK

## M

Block M, with Mr. Cooley as adviser, started the year by initiating their eleven new members and then proceeded to elect the following officers: president, Richard Giovannetti; vice-president, Don Galgano; secretary, Dominick Caracillo; and treasurer, Cyrus Garnsey.

The next activities on the agenda were a jolly sleigh ride in December, with girls as guests, and a formal dance on March 31.

Block M. sponsored the printing of the football and basketball programs. It also assisted in securing the new basketball scoreboard in the gym and helped to co-sponsor the Waterloo pep rally.

Near the end of the year, the club held a picnic which focused everyone's attention upon good food and fun.

The G.A.A. is a fairly new organization which was organized four years ago in Mynderse. Its members have already proved themselves to be a very capable and useful group.

The purpose of the Girls' Athletic Association is to promote sportsmanship, to provide for a program directing sports activities, and to spread interest in girls' athletics around the school.

G.A.A.'s thirty-three members were selected on a competitive basis of sportsmanship, ability, cooperation, scholarship, and active participation in sports. Initiations were held in the gym early in the fall.

The club started a successful year with election of the following officers: president, Nona Holland; vice-president, Esther Nicandri; secretary, Mary Olga Klandatos, and treasurer, Janet Oakes.

# GIRLS'

## A. A.

This group invited high-school girls from Clyde Central School for a volleyball playday in December. Refreshments and entertainment were enjoyed by everyone.

For the first time this organization has sponsored various girls' sports activities including bowling, tumbling, and ping-pong.

Their annual dance was held in March in the gym. A most entertaining program was planned by the various members.

Extra awards are to be given in June for those girls who have shown special ability in certain sports.

G.A.A. has had a most successful year under the capable direction of their new adviser, Miss Clark.
